About dLocal

dLocal powers local payments in emerging markets connecting global enterprise merchants with billions of emerging market consumers across APAC, the Middle East, Latin America, and Africa. Through the "One dLocal" concept (one direct API, one platform, and one contract), global companies can accept payments, send pay-outs and settle funds globally without the need to manage separate pay-in and pay-out processors, set up numerous local entities, and integrate multiple acquirers and payment methods in each market.
